Welcome

The company was established in 2004, is run by young, ambitious, energetic team. Cars are our passion. Day by day we grow, modernize equipment and our skills - in order to meet even the most difficult job..

Our team consists of a group of specialists providing comprehensive services automobiles, which include:

- **Purchase and Sale of Car**
- **Roadside assistance, towing**
- **Rental, Car Replacement**

We have specialized equipment Road Rescue, we are buying cars for cash from private individuals and companies. We operate throughout the country and Europe.

We hire cars, vans and specialty trailers, and type - tow.

Thanks to our professional and personal approach, we provide top quality services while maintaining affordable prices.

Our company gives a whole new light on a car used car dealer - Our motto is honesty and customer satisfaction. The possibility of purchasing or leasing installments. We import cars to order.

We rent cars for the wedding, including the driver - free embellishment. The transport of people, "VIP" - transportation from the airport and others. We invite you to cooperation.

Many thanks to all relatives and friends for all their help and support in developing your business.

P. Sobierajski
